

2022-2023 Season Program Advertising

Dear Business Owner or Manager,

Chamber Singers of Iowa City is privileged to play a unique role in the cultural life of our area. We perform three concerts a year, in a season that runs from fall through spring. The extensive reach of our musical selections appeals to thousands of music lovers throughout eastern and central Iowa. Our audiences include a supportive group of invested community members.

The support and loyalty of our patrons helps us thrive and grow. Our success allows us to offer advertising opportunities that may help you reach more potential patrons or customers. Attached is an application where you will find prices and sizes for advertising space in our season's programs. We will create a separate program for each of our concerts, with pages of 8-1/2 by 11 inches.

Your purchase of a full-page (inside program or on the back page), half-page, quarter-page, or business card ad will connect you with patrons at each of our season's concerts. Please respond quickly to be included in the season's first program. By advertising in our programs you also support an organization that has enriched the life of our community for more than forty-five years. Here's to continued growth and success!

With sincere appreciation,
Chamber Singers of Iowa City
